Date: April 2017
RE: Medical Facilities

The attached pages are a directory of physicians and medical facilities for your use in obtaining workers' compensation medical care. The information identifying physicians and medical facilities is intended to assist you in directing the medical care of employees who have injuries or illnesses covered by workers' compensation system in accordance with state law.

The following information is complete and accurate as of the date this directory is published. However, the status of providers change without notice and it is advisable to call to confirm that the facility is still open.

IF EMERGENCY MEDICAL CARE IS NEEDED: Call 911, fire or police whenever emergency care is needed.

Thank you for your cooperation
